1959

We, the staff of the Sequelle for 1959, present our effort to the school and the student body. This publication represents the conscientious efforts of the Sequelle Staff to make permanent the memories of the Seniors of 1959.

It is with a great deal of pleasure that we present this book to you and hope that in the distant future it will help to make more vivid the fading remembrances of your Alma Mater.

DR. PAUL G. CHANDLER

TO THE SENIOR CLASS OF 1959—

You are graduating at the most interesting time in the history of civilization. Man is looking into and using the forces at the periphery of the universe and at the center of the atom. This is one of those surges in history where the limits of knowledge are being pushed out fast (much more rapidly than ever before). Man is unleashing forces he can hardly control. You are a part of all this and I envy you the thrilling things you will see before 2000 A.D.

senior class

What will the future bring? We ponder; we contemplate; and we anticipate great things.

Throughout our college lives we look ahead. As freshmen we look to the sophomores; as sophomores, to the juniors; and as juniors, to the seniors. Now, as seniors, we look back on our past experiences and activities; we remember the dances, football games, and sorority parties; we fondly recall our student teaching experiences; we realize with a sigh, that these are experiences of the past.

We, the seniors, give thanks to our officers who have served us faithfully through our years at Clarion. Special thanks is given to Tony Donghia who served as our class president for our entire four years.

As we, the class of 1959, leave Clarion, these memories blend with our background and provide a frame of reference for the future.

junior class

The Junior Class began its third year with high hopes and aspirations. To attain these, the class had to work harder this year because of the evaluation the College has undergone.

Homecoming was the first activity. This found the junior class represented by Judy Rodgers and Karlene Smith. Selected by Sigma Tau Gamma and Alpha Gamma Phi Fraternities as queens were Doris Calhoun and Jan Brazer.

Under the capable guidance of Dr. Dana Still, the class sponsored the Christmas Formal. The dance was held December 6, with the Westview Dance Band furnishing the music.

We, the members of the junior class, look back over our three years with mixed feelings. We are looking forward to our senior year and student teaching with hope and pleasant anticipation.

the sophomore class

The Sophomore Class, under the capable leadership of class president, Jon Walter, displayed many noteworthy distinctions and accomplishments throughout the school year. The highlight of the year was the decorating and planning of the Homecoming Dance, which was a very successful affair. Diligent students from the freshmen and sophomore classes were guided and directed by the sophomore class officers.

Joyce Andre and Connie Dubart were our Homecoming Attendants; Mary Lee Stewart was the Red Rose Queen of the Delta Kappa Fraternity; and Patricia Dunmire was the White Rose Queen of the Sigma Tau Gamma Fraternity.

Lucy Park was elected by the student body to represent Clarion in the Roto Queen Contest, conducted annually by the **Pittsburgh Press**.

We are proud to announce that Linnie Lou Steiner, the winner of last year's Miss C.S.T.C. Contest, also won the Miss Clarion County title and was a contestant in the Miss Pennsylvania Contest. Patricia Dunmire received second place in both the Miss C.S.T.C. Contest and the Miss Clarion County Contest.

freshman class

All through the summer months we waited anxiously for September the eighth. Then, all of a sudden, the time had come when we were to embark on our new experience which was later to become our everyday routine.

Attending such events as the Homecoming parade and dance, we began to realize that college was much more than just studies. Worrying about exams was one experience which we could have done without, although, we well realized that this was part of the well-roundedness that we are striving to achieve.

Nola Snyder and Donna Bert, represented the freshmen class proudly on the Queen's Float at Homecoming.

Combining our efforts with those of the Sophomore Class, we decorated Harvey Gym for the Homecoming Dance, using the theme "football."

As this first college year draws to a close, we are able to look back and see what we have accomplished. Anxiously we look into the future towards even greater accomplishments in the next three years.

who's who

Seventeen of this year's seniors were selected to represent Clarion in the 1958-59 publication of Who's Who Among Students in American Universities and Colleges. Those selected were: Frederick Bell, Carolyn Camp, LaVerne Haubrich, Sandra Hepler, Virgil Lucas, Diane Mathias, Janet Maxwell, Mrs. Elizabeth Rupert, Lester Schickling, Gloria Ranson, Deanna Ritchee, Janet Serno, Joyce Stewart, Richard Summerville, Dale Swanson, Helen Thompson, and Richard Weisen. This honor is delegated to those students who rank among the upper two per cent of the college and university students in the United States. Nomination to this organization implies the student's leadership and participation in academic and extra-curricular activities, his scholarship, his citizenship and service to the school, and his promise of future leadership.

In addition to receiving national recognition in the organization's annual publication, members are also entitled to the use of the excellent professional placement service affiliated with Who's Who. Recipients of this coveted honor are chosen by the Committee on Academic and Professional Standing. Clarion has been represented in Who's Who since the founding of the organization in 1934.

social committee

The purpose of the Social Committee is to provide a well-rounded social program for the students of Clarion State Teachers College.

Through the innovations which the committee has made, as well as the continuance of past functions, Clarion's social calendar may well be claimed as one of the best.

Highlights of this year's program include outstanding motion pictures shown in the chapel, swimming, dancing, a spring week-end and fireworks.

Members are Miss Pryor, Richard Yount, Robert Myers, Frank Bruno, Faye Dryden, Constance Dubart, and Lawrence Frederick.

the sequelle staff

As a member of the college annual staff, each of us has had a part in presenting to you, the students of Clarion State Teachers College, this year's **Sequelle**. In attempting to portray the various student activities on campus, we have collected these pictures and records into an album which you will inevitably treasure in future years.

When you leafed through your yearbook, did you stop to realize who was responsible for this journalistic work? Richard Wiesen, Beverly Reese, and Carolyn Camp, in their position as co-editors, sacrificed many hours in organizing the material and leading their assistants. Linda Long, in her capacity as head of the literary department, and proof reader guided the many students who voluntarily prepared the various write-ups. A group with one of the most important tasks, the art staff, was headed by an able member of our college art department, Mr. Pearce. Assisting him in his efforts were Doris Glenn, Barbara Harchuck, and Constance Dubart. As business manager, Janet Boor handled the finances. Joe Gates worked hard as head of photography. Numerous typists and other workers can take credit for contributing to this fine publication.

We would like to thank Mr. Kuhner and Dr. Moody for their welcome advice throughout the preparation of the 1959 **Sequelle**—an indispensable souvenir in every student's college life.

art club

Art Club, under the sponsorship of Mr. Spence, provides opportunity for those students interested in art to further develop their talents in this field. This year, John Shropshire, Al Harris, Jim McElwain, Donna Pittman, Sonja Master, Janet Trill, and Carol Berberich are members.

Each member is free to choose an area of art in which he is interested and to dabble in the medium of his own selection. Oil and water color painting, ceramics, textile painting and enrichment, leather work, and sculpture are among the popular interest areas.

Thanks and credit are due Mr. Spence, art instructor and sponsor of the club, for his continued guidance and encouragement.

Our programs were supplemented by such projects as selling book covers, joint work on the homecoming float with S.E.A.P., a spring banquet with S.E.A.P., and bowling.

The Bios Club is one of the newest organizations on Clarion's Campus. Organized early in October, the club has already achieved its aim—that of furthering knowledge and interest in the biological sciences.

The club meets bi-monthly; and presents a program illustrating some practical phase of biology that will be useful to the members in their teaching careers. The club also reviews films from the college library in order to acquaint the members with these visual aids.

In the future, the Bios Club hopes to realize its aims by presenting materials pertinent to the technological progress which is now being made by the world's scientists and by relating this material to the individual needs of its members.

The goals of the Camera Club are to stimulate interest in photography and to develop a greater understanding of the principles of photography. During the outings and field trips of the year pictures are taken and later studied for the purpose of developing technical and artistic skills.

The Camera Club has a photography contest each year, and the best picture in each of four groups is chosen by a committee of judges. Each contestant must take, develop, and print the picture personally.

The Camera Club has proved a rewarding experience to its members during this school term.

The Press Club is a group of students interested in publishing the school paper, **The Clarion Call**, and in gaining experience for possible sponsorship of high school newspapers. Alice Kay Bickel was the editor of the Press Club this year. The editor and sponsors appointed department editors from the group. These are: Carole Boris, news editor; Katheryne Tomson, features editor; Jack Fox, sports editor; Marvin Henry, art editor; and Frances Raneri, exchange editor.

The activity appropriation was raised this year to provide for the increased enrollment and exchange program. There is no definite number of issues to be published, although the staff sets nine papers as its goal. The first semester art work was original, with a syndicated cartoon introduced second semester. Dr. Lewis contributes the special photography. Several new columns and an altered layout were inaugurated this year.

Twice during each semester the staff sets aside its work and enjoys an informal party, and in the spring it holds a picnic.

The staff should be commended on its efforts to make the **Clarion Call** alive and interesting to the students and faculty.

The Varsity C is composed of those men who have earned their letter by participating in any major intercollegiate sport.

The members sell Homecoming pins, refreshments, and programs at the home games during football and basketball season. This money is used to buy awards for the deserving athletes.

The girls more commonly known as "Delts" represent the Epsilon Theta Chapter of Delta Zeta, a national social sorority. For each of us who wear the badge of gold, the Lamp's flame sends out a warm glow of sisterhood, fidelity, and friendship.

The many activities throughout the school year included the rush party, pledge party, Mother's Day Tea, coke parties which served as an informal get-together after the meetings, philanthropic projects, the week-end at Cook's Forest, and the building of a float for Homecoming.

The Delts felt quite honored this year to have Sally Bryan chosen as Homecoming Queen and Judith Rogers as junior attendant. Doris Calhoun was chosen Sig Tau White Rose Queen, and Deloris Danziger represented the Outdoor Club as queen of the Winter Carnival.

By working together as sisters, we strive for the betterment of each girl socially, intellectually, and morally. Delta Zeta attempts to set before its members a goal which brings forth each member's highest ideals of character and womanhood.

Included among the various activities of Lambda Chi Delta during the school year are the rush party, pledge party, Mother's Day Tea, a party for our brothers, the Alpha Gamma Phi Fraternity, the sorority week-end at Cook's Forest, a party for our senior sisters, and our annual project of selling candy.

Besides these social activities, Lambda Chi takes part in two important service projects: a scholarship fund and a basket for the needy.

During the second semester most of our attention was focused upon the rushing of freshmen girls. Included among our other activities were a Mother's Day Tea and the Cook's Forest Week-end.

Alpha Gamma Phi, the oldest fraternity on campus, was founded March 3, 1930, with fellowship, scholarship, and character as its basic ideals. The 'Gammas' will continue their tradition of being one of the most active school organizations.

The first semester brought our annual Homecoming gathering which was very successful and which was enjoyed by both past and present members. The Spring Banquet, the party by the Lambda Chi's, our annual rush party, and the pledge banquet highlighted the events of the year.

The entering pledges of the fraternity show promise of contributing to the fine spirit of friendship and brotherhood.

The main purpose of this organization is to promote a closer bond among men students of higher educational institutions, so that they might enter into more intimate fellowship with those dedicated to education. The Clarion Phi Eta Chapter was installed on January 31, 1959.

The big events for the year were the formation of the Triangles on November 24, 1958 with thirty-two charter members and our installation into the eternal triangle of fellowship and brotherhood of Phi Sigma Epsilon. An important second semester activity was the rushing of underclassmen.

Alpha Psi Omega is the largest national honorary dramatics fraternity in the United States. The Alpha Upsilon chapter at Clarion was founded in 1936. Hundreds of other chapters can be found throughout the United States on other college campuses.

Each year, candidates are considered for membership. This consideration and election is based upon acting, play production, make-up, lighting, publicity, directing, and stage work. Since the requirements are so high as instituted by the Grand Chapter, membership is a coveted honor.

college choir

The 1958-59 college choir enjoyed a successful year under the talented direction of Mr. William McDonald.

Included in the activities of the first semester was a program, consisting of various choral selections and solos, which was presented to the Kiwanis Clubs of this district. Another highlight of the semester was a trip to KDKA television station where a tape was recorded and presented at a later date. The choir also gave its annual presentation of Handel's "Messiah."

Second semester the choir began work on the religious and secular concerts which were presented in various churches and high schools throughout this area. They also appeared on television station KDKA again.

girls' ensemble

The Girls' Ensemble sang for various organizations throughout the year. The highlight of their performance was when they appeared on College Panorama at KDKA-TV. They portrayed girls from a campus organization decorating a float for the Homecoming Parade.

The girls with their beautiful voices were truly an asset to our campus.

clarion college band

For the second year the Clarion College Band was under the talented baton of Mr. William McDonald.

The first semester saw the band performing clever maneuvers and snappy marching for half time entertainment at football games. The band also took part in three local parades.

The students of Clarion State Teachers College will long remember the band's interpretation of Homecoming at good old Po-Dunk University with Fred Thickey reigning as the beautiful Homecoming Queen.

football

The "Golden Eagles" once again displayed a hard fighting team which, being inexperienced, possessed many fine prospective freshman on the starting eleven. Even though an unimpressive record of three wins and six losses was compiled by the Eagles, never would they admit defeat when losing by several touchdowns. The team is to be complimented for their display of sportsmanship, leadership, and ability to work and play with their teammates.

The 1958 edition of the "Golden Eagles" showed one of the finer freshman of the district. He was Erine Widmar who was named to the State Teachers College Honorable Mention List.

Also to be mentioned is the outstanding pass defense of the Eagles which was listed as sixth in the nation among small colleges yielding only thirty-one yards per game.

The outstanding game of the season proved to be the upset win over the strong Grove City Wolverines by the score of 27-14.

In as much as the Eagles last several games by one touchdown or less, a fine team is anticipated for the coming year. Our compliments go to the coaches, Mr. Johnson and Mr. Lignelli, for their hard work and patience.

In the '58 baseball season the Golden Eagle team, coached by Mr. Ernest Johnson, was made up of both veterans and untried freshman. This combination completed the season with a 2-6 record with Pat Cummings the winning pitcher in both games and with Russell Kuntz, the fireman of the squad, turning in a fine relief performance.

The offensive attack was headed by Danghia, Terpak, Hartman, Boka, and Slaugenhaupt. The other lettermen were Kohan, Danielsan, Snyder, Florie, Kukich and Carley.

With seven returning lettermen, Clarion can look forward to a more promising season in '59.

Dick Danielson, a 6' 1" senior forward and three year letterman, is playing his fourth year of varsity ball with the Golden Eagles. Dick has been among the leading teachers college conference scorers for the past three years, and last year, averaged seventeen points per game. He is a very dependable performer.

Ernie Smith, a 6' 2" forward and a three year letterman, is playing his fourth year of varsity basketball for the Clarion State Teacher's College. Ernie has been an outstanding player for the Golden Eagles and is particularly skillful in handling rebounds. Ernie played high school basketball at Oil City High School.

varsity members

Gary Smith, 6' 4" center is a junior and two year letterman. He is an outstanding pivot man with a deadly hook shot. Gary is also a rugged competitor on rebounds.

Ron Botz of Parker, a 6' 1" guard and two year letterman, is playing his third year on the varsity of the Clarion State Teachers College Basketball team. Ron was the Golden Eagles' leading scorer last year, averaging 21 points per game, and was named to the first team of the all state teachers college conference team.

Bob Volansky of Sykesville, a 6' 4" sophomore letterman, is playing his second year on the Clarion State Teachers College basketball team. Bob, a center, showed a lot of promise last year in the pivot slot and is expected to help the team a great deal this year.

golf

In 1958 an old intercollegiate sport was resumed at Clarion. Beginning as an intramural program, the golf team even though it was not in the State Teachers Conference, did play a series of matches with Slippery Rock, Edinboro, and Colifornia. Clarion also participated in the Presidents Cup Tournament at Allegheny College and the State Teacher's Tournament at Slippery Rock.

With experienced men back next year, the team should have a fairly good season as an integral part of the intercollegiate sports program.

cheerleaders

The cheerleading squad at Clarion is made up of seven lively girls who have cheered our football and basketball teams on to victory and stood by them in defeat. These girls have worked very hard in promoting school spirit.

The cheerleaders are seen at all the football and basketball games, in parades, and at assemblies.

homecoming

A warm bright day greeted the returning alumni and the spectacular Homecoming parade this year. The efforts of Fred Matheson were very successful as indicated by the beauty and popularity of the parade. The prizes were awarded to Sigma Sigma Sigma, Delta Kappa, and Lambda Chi Delta—first, second, and third respectively. Surrounded by her court, the charming, attractive Miss Sally Bryan was crowned Queen at the halftime ceremonies. The combined resourcefulness of the freshmen and sophomore classes completed the day at the Homecoming dance. The teas, parade, football game, coronation ceremonies, and the dance of the Homecoming of 1959 will remain in the hearts of all those who attended.

Nolo Snyder, Donno Berty, Joyce Andre, Connie Dubart, Karlene Smith, Judy Rogers, Sody Hepler, Carol Emig, Sally Bryon.

queen's float

One of the highlights of the Homecoming Day Parade is the Queen's Float. Each class is represented by two girls who are attendants to the Queen.

Those attending the freshman class were Nola Snyder and Donna Berty. Joyce Andre and Connie Dubart were sophomore attendants and Karlene Smith and Judy Rogers were from the junior class. Carol Emig and Sandy Hepler were the two senior attendants to the queen, Sally Bryon.

Miss Linnie Lou Steiner, who was sponsored by the Geography Club, was selected as Clarion College's Miss C.S.T.C. of 1958. This small Pittsburgher's reading from Mark Twain's *Adam's Diary and Eve's Diary* displayed her talent and personality and won for her the acclaim of the judges.

Miss Steiner then won the title of Miss Clarion County. She represented Clarion County in the Miss Pennsylvania contest.

The friendly smiling sophomore reigned over the Autumn Leaf Festival as Miss Festival.
